ONCE A JEW GETS A TASTE OF POWER, he'll lick his chops until the day he dies. And former Jewish Senator, Joseph Lieberman, is bitter proof.

On March 11, 2013, the neocon Jew-infested 'think tank,' the American Enterprise Institute (AEI), announced that Lieberman was appointed co-chair of the American Internationalism Project, a branch of AEI's Marilyn Ware Center for Security Studies.

In other words, Jews like Lieberman don't retire.

Lieberman is just the right blood-thirsty Jew for this new AEI foreign policy initiative who joins fellow warmongering staff members, (Jews and their Gentile shells), Richard Perle, John Bolton, and Marc Thiessen.

These are the Jew boys and their Gentile hirelings who brought us the Iraq War vis-a-vis the Jewish lie known as Sadaam's 'weapons of mass destruction' which has left 4,500 Gentile American soldiers dead (Jews do not fight in their global wars) and 1.5 million dead Iraqi civilians.

To this day, Lieberman keeps the Jewish lie alive by arguing that "evidence" (Jews like these kinds of words to snow the Goyim) of Sadaam's 'weapons of mass destruction' justified his vote nine years ago to send Gentile youths to their deaths in Iraq.

But can we really expect Lieberman to tell the truth when out of one side of his Jewish mouth he condemned "waterboarding" as torture but on the other side he afterwards approved it. [View Entire Story Here & Here.](#)

Yet, in spite of the onward march of Jewish lies, if Lieberman and friends have their way, there will be MORE wars for the Jews and the erection of Lieberman's favorite pastime as former head of the Senate Committee for Homeland Security, a global Jewish police state.

JEWRY'S POLICE STATE GOES VIRAL

WITH HIS DIRECT PIPELINE TO CONGRESS, Lieberman is well placed in his new role at AEI to push the warmongering police state agenda of global Jewry.

As co-chair of AEI's American Internationalism Project (a fancy word for Jewish imperialism) Lieberman's work will include:

Requirements For Military Force Deterring a Nuclear Iran [Here.](#)

Lieberman remains an agitator for the "military option" in Iran.

To this very day he continues to incite for the "international community" (read Jew-enabled NATO) to bomb the nuclear threat out of Iran (and thousands of Iranian civilians as well) so that a Greater Israel can move beyond the Euphrates.

Lessons for a Long War: How America Can Win on New Battlefields [Here](#).

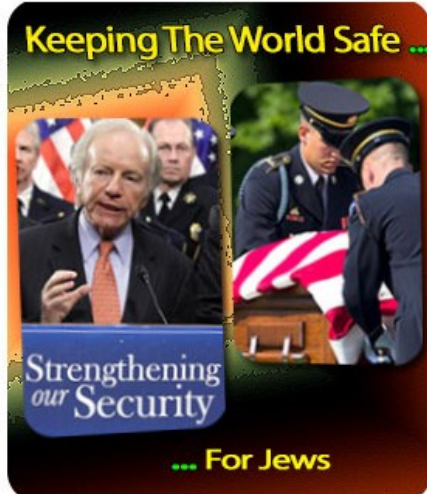

Lieberman in **conjunction** with Jewish imperialist Netanyahu will not rest until every American Gentile youth under 30 comes home with missing limbs and then designated **"unfit"** to own guns by Jewish gun-grabber Feinstein.

Supporting 'Rebels' In Syria [Here](#).

Lieberman lodged his **war-mongering legacy** in the halls of Capital Hill by **sponsoring** on December 12, 2012, an **amendment** to the NDAA that provides for a US/NATO-enforced no-fly zone in Syria in order to topple Assad, a proven **protector** of Syrian Christians.

BUT WHAT DOES LIEBERMAN care about Christians? He's a Jew and will even stoop to **arming terrorists** so that the anti-Christ nation of Israel can bulldoze into oblivion all those it perceives as its enemies.

And Jewry's **enemies** are those who won't allow them to walk all over them. And that means me and you...

Dear Real Jew News Family,

I said it back in December when all the touted "good news" by Jew-wise sites announced that Senator Joseph Lieberman was going to "retire" in January 2013.

I laughed out loud.

Jews in power DO NOT RETIRE. They move on to another JEW-INFESTED venue to destroy what's left of America and the entire Jew-assaulted world.

What can we do? We NEED TO RAISE AWARENESS and that is EXACTLY what WE ARE DOING here at OUR site Real Jew News.

RJN is now at almost 19 million HITS since starting in the fall of 2007.

My Videos are climbing well past 5 million Views since starting July 2010.

In other words, We ARE Making An IMPACT!

Let's keep a good thing going!

Of course the Kikes don't retire.

The Devil doesn't have plans to "retire" either. All evil is the responsibility of the Devil and his "angels" (Demons), but his children (Jews, dogs, the Synagogue of Satan) do his dirty work for him, bringing formerly Christian nations to apostasy and worship of the anti-Christ.

LIEberman is a hypocrite and a liar (Am I surprised? No.) and Christ cursed the Jews as hypocrites and liars, so LIEberman has NOTHING nor do any other of the Christ-hating Jews.

The only thing they have to look forward to is continued desolation and accursedness.

The Jews and their lies have turned our one great nation into a laughing stock, and a hell hole (it was that long before I was alive though its gotten much worse). But what can I expect from a bunch of accursed Christ-haters who will no doubt stand before Christ at the last judgement and be cast into the lake of fire.

If only the Yids would come to their senses, give up their anti-Christ identities and, become Christians. I'm not holding my breath though, because only a remnant will accept Christ and be saved.

Christ God bless you all!

Another important article about an important topic with details from Brother Nathanael.

My heroes have always been: God, Jesus Christ and Gautama Buddha.

If someone really insisted that I name few great men living among us who have demonstrated exceptional courage, I would list the following names: Brother Nathanael, David Duke, President Hugo Chavez, President Putin, President Ahmadinejad, President Assad, MP Laurent Louis, President Olafur Ragnar Grimsson and Minister Ogmundur Jonasson and God bless them all!

I have realized the value of these brave people and when it comes to Brother Nathanael, it is important to support him financially as well as keep him (and those other courageous people) in our prayers and share his articles and videos with as many people as possible which provide an excellent learning and teaching tool.

Thank you for your consideration to help Brother Nathanael financially.

March 15, 2013 @ 10:46 pm

Hello Brother Nate,

Hope this finds you safe and warm. Your article shows how tenacious Jews are in their machinations. Sadly, the too few that see it think it's simply the Synagogue's almost sexual love of the almighty "coin of the realm."

It goes way beyond that. More evil, vicious and deadly by far. Money is their tool, a beloved tool but just a means to an end all the same. You see, The Synagogue has a visceral, seething hatred for the Goyim, (all things not part of "The Tribe").

I'm linking an article from Roi Tov's site, pay particular attention to the part regarding the Goyim.

The Synagogue simply cannot co-exist with we "lesser folk," the "beasts" of the field spawned for one reason and one reason only; To live, work OR die at the whim of the "master race." They weren't removed from over 100 countries in the past for no reason, Even Hitler knew the threat as well as the German people.

They had the courage to lay it all on the line to remove them, not through phony "gassing" or Jew-a-cide but by removing their psychotic tribe and their source of control from within the Fatherland, the now nearly GLOBAL Central Banking system. Global thanks to the cowardice, corruption and ignorance of the West in general, AmeriKa specifically.

First, (always remember this), crush the Goyim, slaughter and enslave ALL Goyim by pitting them against each other. Second, own or destroy it all.

For the readers to fully understand the degree of depravity of the tribe, I strongly urge you all to locate access to the Soncino Talmud. They might try Michael Hoffman's site.

He has many other well written and revealing works. I've been reading his latest book, "Usury in Christendom...." When you begin reading, do it early in the day to avoid nightmares. It is one very frightening "holy book."

No One on Earth HAS to be a "Jewish"...It's True.

He answered and said unto them, He that soweth the good seed is the Son of man;

The field is the world; the good seed are the children of the kingdom; but the tares are the children of the wicked one;

The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world.

The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth.

Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.

Was working a contract job at Raytheon, in Portsmouth, RI, and had a really cool boss from Portugal, who was very intelligent in both hardware and software engineering.

He was joking with me one day, and informed to me that he feared retirement. When asked why, he explained that the average life expectancy of someone, after they retire from Raytheon, was only two and one half years.

If you wish to stop Lieberman from being politically active, then you must get him involved in something else. He is a creepy looking f%@k, and probably does not have any hobbies. Men need work or something to do, and suddenly deciding not to ever work again is a horrifying thought actually.

Brother Nathanael:

I have followed you for many years now for one reason only, "TRUTH!"

I am a curious 60 year old, disabled Canadian and my curiosity stems from being raised a Catholic and witnessing all of the hypocrisy in that "Organization." Double standards is the rule of the day with Catholics.

Well, lately, there has been an airing of a "Multi-Part" Movie on TV called, "The Bible." It tracks Christianity from it's purported roots to Revelations.

The one common thread that runs through the behavior of the Jews of the Bible is "WAR!" Kill, Kill, Kill! All, I might add, in the name of "God." The bloodshed never ends, the barbarity never ends — All in God's Name?

Even that War-Monger George Bush, (Senior and Junior), invoked "God" in their lies which they used to justify the slaughter of millions of innocent women, children and Soldiers who had no business getting involved in Foreign Wars.

Those Soldiers should turn on the President(s) and take the country back to the days of "Constitutional Rule," (Freedom) at home.

The entire Administration of present, plus all previous, living Administration Personnel who went along with these War Crimes should be arrested. Maybe some waterboarding would be reasonable for some, tried, convicted and put in Guantanamo Bay for life.

Every Middle East Conflagration wherein the American Military gets involved, spends Billions of American borrowed dollars and kills thousands of American Military Personnel benefit Israel DIRECTLY.

A financial dictator for Detroit

<http://www.wsws.org/en/articles/2013/03/15/pers-m15.html>

QUOTE

With the appointment of an emergency manager on Thursday, Detroit became the largest city in US history to be taken over by the state government.

The new manager, bankruptcy lawyer Kevin Orr, will have vast powers and one essential task: to carry out a brutal assault on the jobs and living conditions of the working class.

What is taking place in Detroit has national and international significance. The Financial Times of London cited one person involved in the discussions on the imposition of a

financial manager as saying "This will be the best case study of what it means to restructure a city."

In an editorial, the newspaper called for "radical — and unpopular — action" to address Detroit's financial woes, a position shared by virtually every mass circulation newspaper in the US.

etc. etc.

=====

I follow what is going on in Detroit, as IMHO it is the canary in the mine.

Detroit was no accident, it was an experiment to see what happens when things get this bad.

Effectively Detroit is under martial law, with an appointed bureaucrat, that is a non-elected official, and sugar-coated with the bureaucrat being a black person.

I can foresee this place turning into a war zone, and then spreading to other cities.

There are few people fighting on behalf of the entire world, by exposing the evil behind all evil, namely the evil of the organized Jewry, and Brother Nathanael is at the top in this group.

Dear friends, I want to prevent the same mistake I made, (from happening in the case of others), by underestimating Brother Nathanael's work thereby ignoring him and turning my attention away from his websites: Real Jew News and BroVids.com which has all the crucial information anyone needs, to wake up to the real truth.

Brother Nathanael does not tinker around the edges, but goes straight to the point and tells his audience who exactly is behind the front man, whether this be the US government, US military or any of the European governments and their military etc.

In other words he points out who the evil force that is pulling the strings from behind is (the shadow government), instead of only blaming the subordinates like Bush, Cheney, Obama, Clinton, Rumsfeld, Condoleezza Rice, Tony Blair etc who are just the front men and women who serve and have served the function of an obedient slave.

I hope you realize the value of what he has done and continues to do and have compassion for him, which will enable you to share some of the funds that you may have, with him. I know it is the right thing to do, also knowing that he deserves even a large sum, as generous as you can afford, and you will be blessed.

Last night when I wrote my previous post here, where I listed the names of several people, I left out a very important name of another exceptionally courageous person and that is: Ex Green Beret and former Airborne Special Operations Officer and Army Training Center Commander, Joe Cortina. His website: MyNameisJoeCortina.wordpress.com.

I admire his courage not only regarding the work he has done in all these aforementioned roles, but the courage he has demonstrated in sharing the truth about this evil group of people and the crimes they continue to perpetrate on humanity, while doing everything to hide these crimes from the eyes of the world by meddling with people and their lives through various techniques.

I suspect they are meddling with my computer, by always doing updates (which I suspect very much as being quite unnecessary) and interfering with my ability to email Brother Nathanael's and other articles to people, in order to wake them up.

Wisconsin Educrats Encourage Students To Wear "White Privilege" Wristbands

QUOTE:

MADISON – The Wisconsin Department of Public Instruction runs several programs that emphasize racial issues.

One of those programs – an Americorps operation called VISTA (Volunteers in Service to America) – encourages White students to wear white wristbands that serve "as a reminder about your (White) privilege..."

What?

I know that some will say that the JEWS had to wear labels in Germany. I read an article that Jewish leaders wanted that to be done...probably for future propaganda.

"Why We Are Antisemites" – A newly discovered text of Adolf Hitler's 1920 speech at the Hofbräuhaus

A couple of months ago, Carolyn Yeager was searching for a particular speech of Adolf Hitler, given in 1920 in Munich.

I had not been aware of its existence but following a google search I located it within an issue of a publication of Institut für Zeitgeschichte (Munich) from 1968, of all places.

Carolyn was eager to get the speech in English and I obliged. Little did I know that it would turn out to be a week's worth of work. But it was worth it, as it turned out. After all, Hitler is said to have delivered it in THREE hours!

Due to its, in part, philosophical content, it was not easy to translate. Carolyn did a great job editing my crude language (English is not my mother tongue).
<http://shoablogger.wordpress.com/2013/03/16/why-we-are-antisemites-text-of-adolf-hitlers-1920-speech-at-the-hofbrauhaus/>

The speech is beautiful linguistically and in terms of content. It appeared on the Internet for the first time on Carolyn's website, following its presentation by Carolyn in a podcast wholly devoted to it.

Enjoy the young Hitler's thoughts about Jews and "antisemitism."

Brother Nathanael,

I'm sure you have heard about the newly formed Government of ISRAHELL; and, it's not pretty. Bibi Boo-Boo (AKA Nutty&Yahoo) has brought together the most evil, depraved bunch of PSYCHOPATHS the world has ever seen. The "SQUATTERS" have temporarily won.

Oh, in addition, today (16 March) is the tenth anniversary of the hideous murder of Rachel Corrie by the evil Zionist entity in the form of a soldier driving a bulldozer. You can bet the Jew-controlled media won't mention it at all.

The Amerikan sheeple are finally beginning to wake up from their decades-long slumber (Rip van Winkle, anyone?); however, it had to take Jew-created shenanigans in both the Tarnished House and in Congress to wake them up.

This nation must return to the values put forth by its Founders if it is to survive; i.e., it must renounce aggressive wars for ISRAHELL and rebuild its own infrastructure, which is in dire need of repair.

If the Yids in it continue to put ISRAHELL first and foremost, it's time to do what Europe did centuries ago; i.e., revoke their citizenship and expel them.

Why today's Cyprus bailout could be the start of the next financial crisis

QUOTE:

Early Saturday, the nation reached an agreement with international lenders for bailout help. Part of the agreement: Bank depositors with more than 100,000 euros (\$131,000) in their accounts will take a 9.9 percent haircut. Even those with less in savings will see their accounts reduced by 6.75 percent.

That's right: Anyone with money in a Cypriot bank will have significantly less money when the banks open for business Tuesday than they did on Friday. Cypriots have reacted with this perfectly rational reaction: lining up at ATM machines to try to get as much money out in the form of cash before the money they have in their accounts is reduced.

I had to bribe my grandson to put this new webpage into a video-of-support for +BN's Mission.

The idea is to spread the word (i.e. this webpage is great; getting it into YouTube extends the reach of +BN's message of Christ).

Here is the first version of the video (a few rough edges).

Great headline: Warmongering Jews Do Not Retire

Great article +BN.

This is article 803 by +BN. Read the link text to this article:

[realjewnews.com /? p=803](http://realjewnews.com/?p=803)

I Hoff made my first comment at RealJewNews com at +BN's #80 article. When I found +BN the first time 5 years ago my Jewdar was on deathcom 58 alert. My Jewdar screamed: "+BN = JEW +BN = JEW ... incoming JEW."

Under the years of +BN very few have even dared to try to attack Brother Nathanael. A few Jews have attacked BN at incogman net, a few Jews have tried to discredit +BN at ZionCrimeFactory com, and get this — Jews have tried to attack Brother Nathaneal at my blog Hofflandia com

Truth be told, I Hoff once had my doubts about +BN being a Jew-ruled False Flag Operation/controlled opposition.

D you have the least doubt that Brother Nathanael is Jew-ruled controlled opposition? Read the +BN article again. What does +BN do in the article? Pinpoints the JEW wholesale. No Jew shill crap, no Alex JoneStein bs. Just the real deal!

Go to Incogman.net and read the comments. Do you see any Jew attacking our Dear +BN? Do you know why you don't? Because we don't take any Jew prisoners.

Go to my blog Hofflandia com Do you see any Jew attacking +BN at my blog?

Okay ... Go to any blog in the entire world that attacks Brother Nathanael.

+BN is pinpointing the Jew criminals in every single word he writes. Can YOU prove BN wrong on any statement he make about the global Jewish crime network knowns as the Jews?

Prove +BN wrong or shut the heck up and listen to +BN.

To understand the Jew you gotta think like a Jew.

After a lifetime of schedules, now that I am retired having nothing to do is wonderful. And it's not that I do nothing - I do as I please.

Sometimes the lawn gets a bit long cause I'd rather wash the car. My cats that I adopted from a shelter always get my prime time.

My barbecue rib roast gets to marinate for two whole days. I also have to keep the dog busy and take him for ocean view walks.

Vladimir realizes the the population of his country is decreasing so he is trying to encourage Russians to have more babies. The sad thing is, if any White US politician said anything like that, he/she would be condemned as raycists.

I'll say it: in order for the White nation to survive, third world immigration must stop, allow only White immigration, do everything possible to encourage Whites to have more babies...

There are so many comments that I want to reply to, I guess many, many people are off topic. I don't find that a bad thing, particularly when links to other interesting stories are attached.

So I'll just send a short reply to Hoff whose site I enjoy, if enjoy is the right word. Hoff I too was apprehensive when I first found the Bro's site. Having had experience with the way Jews operate I was worried that a response to him would send my details straight to the CIA or somesuch and that he was responsible.

I took the leap though and I still worried for a while. Then I began to love all his articles, I took him at his word, in fact I hung on his every word. He just nails it.

I send money to Bro Nat. Not a lot. Please support him with money. A lot of small donations add up.

What I do is decide what I can afford and then add a little more. I'm not chastising anyone but I do think many people feel that their donation will not be good enough. Well you are wrong, and Bro Nat is not going to blame you for not sending enough. And he certainly won't be trying to shame you if that's what you think.

His mission precludes that kind of thinking entirely. His mission is about educating us about very terrible things. These are real things and anything we can do to educate others is invaluable. Unfortunately this education costs money.

Please help Bro Nat in any small way. Otherwise in the future we'll be saying "Bro Nat, now there was a guy who understood it all. Too bad he folded. I really used to like him."

Cyprus is a variation of what they did when the Euro was introduced: suddenly, all of your savings, insurance policies, PAYCHECK - were cut in half. Instead of earning 5.000 marks monthly, €2.500 were transferred into your account.

How is that for a scandal? When I tell Americans about this, they are horrified and can hardly believe it.

That was in the year 2001. Since then, the devious, conniving bankers and governmental elite have come up with even more underhanded tricks to drain us of our financial reserves (if we had any in the first place).

The problem is, even if you withdraw your money from the bank in a timely manner, they will find a way to declare your cash money worthless.

The great value of your articles is that they are short and fully documented. They are accessible even for people with very short attention span, i.e. most Americans. They are like an INDICTMENT of concrete persons and of the gang they belong to.

Now, if you lived in Cyprus (Pop.approx. 1 million) the Government and Banks have set in motion the potential for rioting, which could invoke martial law and further military engagement.

It is 4:31 PM from Providence, RI.

Just now I emailed this important article to 4 people. The dial was not revolving like it used to do from my past experience. Last time I emailed this to more than 15 people from my own email, and it did not go through.

Right now we are writing back and forth to National Grid power company about not wanting a "smart meter" because it is not smart but kills. With permission from our landlord they succeeded in changing the main meter that emits dirty electricity and electromagnetic radiation and they are manipulating free flowing energy through these various devices through secrecy.

I suspect that Jews are behind this horrific atrocity to kill me and my daughter because I am standing up to these criminals although my daughter has not been an activist so far.

They are also meddling with my computer to interfere with my ability to send emails to people to wake them up about organized Jewry and their crimes.

Harriet

March 17, 2013 @ 2:26 pm

I meant to mention that our landlord and his father have been lovely people, but organized Jewry can very easily manipulate and deceive their entire family.

Our landlord and his father are trusting people, who live their lives minding their own business and are not a part of organized Jewry, and they don't have high-tech knowledge to understand the wicked deeds of organized Jewry.

There is one uncle of our landlord whom we cannot fully trust.

The problem will be that, they will believe corrupt members of organized Jewry, more than they would believe me or my daughter despite the fact, that we have lived in this

same apartment (since December 7th 2004, over 8 years) because organized Jewry are deceptive liars.

It is also important for everyone to know that my daughter and I are not planning to commit suicide or kill each other because this is one of the ways organized Jewry crime syndicate get rid of people, who expose their evil crimes.

Through deceit and lies they murder people and do cover up, to hide their crimes with the help from the US government and its various agencies like the Home Land Security, Department of Justice, CIA, FBI, police, etc., and we are well aware of their criminal activities.

I take this opportunity to add that, since Venezuelan Elections will be held on April 14th, 2013, we pray for (and look forward) to +BN doing a piece on Radonski (the All Judaan's Front Man in Venezuela).

Radonski is a fierce opponent of Nicolas Maduro (Chavez's man), who took over the Presidency when Chavez went to hospital.

Radonski has all the power of All Judaan behind him (many times more money invested).

Although I am sure you know, it doesn't hurt to repeat that while Maduro follows Chavez strong opposition and condemnation of Israel, Supremacist Warmonger Radonski has vowed to prioritize his alliance with Israel, kick Iran out of Venezuela, etc.

That is, he will let the Rothschild Dynasty get back into Venezuela as a good Virulent Cancer (described in 'Confession of An Economic Hit Man' - John Perkins). Greg Palast did a nice piece on Chavez.

Brief Summary:

Maduro is for Independent Venezuelans.

Radonski is for having Venezuelans Serve All-Judaan (as per Talmud Instructions).

I am so glad that I returned to this very important website: Real Jew News after a long period. After realizing the value of Brother Nathanael's work upon my return, and thinking back, I can't imagine why I left in the first place.

Ron Paul himself has said that the desired change will not happen unless, people themselves wake up, so that they can demand from politicians, the changes they want, and that a president alone cannot do much, which is so true.

If millions of people were to read Brother Nathanael's articles and see his videos, and listen to few other radio shows that address:

(1) the financial (and other) crimes of Jewish bankers
(2) crimes of organized Jewry

(3) subversion of America by Jewish politicians
(4) Israel lobby AIPAC, bribing and manipulating US politicians (5) ADL, SPLC, The Jewish Congress and hundreds of other Jewish organizations manipulating and intimidating US politicians and other high ranking government officials

(5) Israel's bombing of the US ship USS Liberty and killing 37 sailors and injuring another 171 sailors
(6) The Lavon Affair by Israel to get US into war

(7) Orchestration of 9/11 by Israel's Mossad
(8) Dual Israeli citizen Jonathan Pollard spying on US secrets to help Israel and Russian Jews
(9) Israel espionage on US and US citizens

Brother Nathanael names the Jews who have been traitors to America and he lists their crimes past and present. This information can help to protect the entire world which should encourage people from all over the world to send help to Brother Nathanael.

RE: VIDEO WITH YURI BEZMENOV

Thanks! Sure I watched the original video (i.e. the one in YT).

The Good Thing is that it is illustrated for the Mentally Challenged

The Good Thing is that it is illustrated for the Mentally Obese.

The Bad Thing is that the illustration doesn't put context into the interview and, therefore, misleads.

For example, it doesn't tell who is the interviewer (an important person and author).

The Bad Quality of the video (better in the original) suggests the date.

Anyways...

Those who would like to Really Learn (i.e. as I think people should do), should check videos of Ex-KGB Agent Yuri Bezmenov (including lectures) and check the Resume of the fellow doing the interview.

The interviewer is the author of the famous book, The Creature from Jekyll Island (1994), G Edward Griffin.

Griffin is a very likeable fellow and, interestingly, has been a member of The John Birch Society (thought to work for All-Judaan) from his early professional years.

IMPORTANT

The Title of The Video is Misleading (intentionally?)

Where is All-Judaan mentioned?

Where is Griffin mentioned?

You see, by focusing the attention on Obama, The Lemmings (a word that Dr. William Pierce liked to use) will fall for it and blame it on Obama rather than blame it on the Hidden World Power doing the pulling of the strings:

ALL-JUDAAN

THIS IS WHY +BN MISSION IS SO IMPORTANT!!!

+BN POINTS THE FINGER TO THE RIGHT PLACE (so that the Mentally Obese can get it right away - however painful and stressful it may be).

=====

Finally, I take the opportunity to cite our latest video of support for +BN's Mission for Christ (and for us):

The title is sentimental because our previous title (NATHANAEL DOES LIEBERMAN) conquered the attention of one of our preferred +BN fans.

Good points...

More good points from Griffin. Found that this link is not working.

Many people would recognize Griffin, I recall the original video noted him as the interviewer.

I think it is Griffins modus operandi to not mention "Jew."

I tend to have more of a Venn diagram view in that there is no perfect overlapping by all the so-called experts, but there is a core of overlap, hence a consistent narrative.

The message to glean from the KGB agent is this was made almost 30 years ago, and watch it unfold like a prophecy. The enemies are traitors from within, the dreaded useful idiots.

These types are caught in the middle. They will be despised by those they betrayed, and are disposable to those they serve.

There is 1 Spice Missing in the Recipe:

Thx all 😊

I said it many times and I will say it again: There is nothing complicated about the Jews conspiracy. The Jews want to rule the whole world. That's it and the Jews will stop at nothing to get in control of the whole world.

There is a tale that goes, if you put two Jews in room overnight, the next day they will have five political ideas and started eleven organizations. To ignorant non-Jews this is "proof" that there can't be any Jew conspiracy. Because if two Jews can't agree on anything, how the heck are the Jews going to conspire as a group then?

What the ignorant non-Jew doesn't understand is what the Jews agree on - that the Jews are going to take control of the non-Jews state. What they disagree about is: "How do we do it?" One Jew says: "Communism is going to rule the world." The other Jew says: "Zionism" is going to rule the world. "No, democracy is going to rule the world." And so on.

The communist Jews took over Russia 1917. What the Jews did was that they killed the entire Russian elite and the Jews moved into the now empty houses. The Jews replaced the Russian elite with Jew elite. Then the Jews stole the whole Russia. This is the biggest heist in history of man. The Jews stole the world's largest country.

Then the Jews killed all true Russian patriots and anyone the Jews even remotely suspected being able to organize a resistance to the Jews control of Soviet. The Jews killed at least twenty million Russians. There was 140 million in Russia so there was plenty to go.

This mass killing was supported wholesale by non-Jew communist in the West. But when the same Jews kill Palestinians the non-Jew communists get upset. Anybody who does their homework about what really happened in Palestine will have to read up about Zionism.

What the Jews did in Palestine is exactly the same as they did in Russia. The Jews killed the entire Palestinian elite and started to steal land.

This killing and land theft by the Jews is supported wholesale by the non-Jew Zionists. Zionism or communism? The Jews don't care what you call it as long as they can get non-Jews to support them.

Zionism or communism is nothing but Jew gang war. Of course there was Zionist Jews in Soviet and they was competing with the communist Jews. So of course the Zionist Jews didn't have the upper hand in the Jew ruled Soviet. But at the end of the day the communist Jews will help the Zionist Jews.

When Jew World War Two ended in the mid-40s the Jews started to chase out the Brits from Palestine and of course they needed military hardware. Where do you think the Jews in Palestine got their air force from? The communist Jews in Moscow gave the Zionist Jews everything they wanted.

Never trust a word in Wikipedia, but it can be a good start.

"Israeli Air Force"
Early years (1948-1967)
Avia S-199

The forerunners of the Israeli Air Force were the Palestine Flying Service established by the Irgun in 1937, and Sherut Avir, the air wing of the Haganah. [3] The Israeli Air Force was formed on May 28, 1948, shortly after Israel declared statehood and found itself under attack.

It consisted of a hodge-podge of commandeered or donated civilian aircraft converted to military use. A variety of obsolete and surplus ex-World War II combat aircraft were quickly sourced by various means to supplement this fleet. The backbone of the IAF consisted of 25 Avia S-199s (purchased from Czechoslovakia, essentially Czechoslovak-built Messerschmitt Bf 109s) and 62 Supermarine Spitfire LF Mk IXEs.
http://en.wikipedia.org/wiki/Israeli_Air_Force

Ignorant non-Jews will now argue that Soviet sold air planes to the Arabs. Of course the communist Jews in Moscow sold air planes to the Arabs; the Jews always arm both sides. But no Arab country got enough planes so they could take air superiority over the Jews air force.

You only need to look at the Jews' Six Day War in '67. The whole Egypt air force was smashed on the ground. From what I know the Arabs kicked out the Soviet "advisors" after that.

The number one goal in any war is air superiority. If you don't have air superiority you can't protect your troops on the ground.

The military in the so called "Israel" had the Soviet car Vaz Lada in the 80s. Go figure. First America fights the Jew ruled communist Soviet, support "Israel" and then the communist Jews give the Zionist Jews in Palestine cars that are made in Soviet.

I tried to hitchhike with the Vaz Lada many times but I was told every time: NO, only military. Probably only officers had Vaz Lada in Palestine, but I'm not sure.

There was never a communist country. Didn't know that did you? Well, you can read any official document in any country you think was a communist country and you will not find one reference to that country being a communist country. But you find endless references to "building socialism."

The Marxist doctrine is that when ALL countries on earth are "building socialism," then the Communist paradise will come. Communism really means the Nirvana of "building socialism." When all countries - but only then - will heaven be on earth, the communist stage come.

This is why all the diehard non-Jew communists supported anything the Jew ruled Soviet did. To those non-Jews the overall goal is to make the whole world "build socialism." To the Jews Soviet was nothing but the Jews' private army, the Jews proxy war machine for Jew world conquest.

Of course the stupid and ignorant non-Jews did not got that Jew factor, so they hailed every time Soviet invaded their neighbour country as "liberating" that country from capitalism. But when the Zionist Jew ruled America "liberate" countries all over earth, the very same non-Jew communists oppose the "liberating."

The tragicomic in it all is that "building socialism" is a Jew joke on the stupid non-Jew communist. What "building socialism" really mean is that the Jews are killing all true patriots, killing anybody the even remotely suspect can organize a resistance to the

Jews control of the country, and of course, the Jews stealing everything, just the same the Jews did in Russia and Palestine.

"My thinking mode is geopolitical; I always have a globe near my computer." – bubba –

Everybody should have a globe and study it very careful. The globe will tell you a lot about how the Jews look at earth. The Jew wants to conquer the whole world so of course the Jews have studied the globe very careful.

The globe is 70 percent blue, that is water. To conquer the whole world you got to be able to take air superiority anywhere at any time and to do that you MUST have an armada of aircraft carriers. This is not an option — you must have this.

And this is one of the two main reasons why the Jews gave up Soviet as their proxy army for Jew world conquest in the 60s. The Jew ruled Soviet couldn't build an armada of carriers, and Soviet didn't have the ports needed. America does have the ports and the carrier fleet.

The other reason was that the Jews didn't need the Jews fraud "Cold War" anymore. I was talking to an older man and told him that we have been brainwashed for decades to hate Arabs.

"It's older than that," he said, "it started after Munich 72." I asked him at least five times and he was dead sure: The hate all Arabs propaganda started in 1972. Coincidence? Just happens to be so? I think not.

We are told 19 Arabs out of a cave in Afghanistan took five hours flying lessons in a Cessna and then was able to fly airliners? Sure. And not only that, they managed to fly one hour without US air force intercepted one single airliner? Coincidence? Just happened that 911 day? Sure, sure.

US Air Force is organized exactly the same way police, fire and ambulance are, they are all on 24/7/365 day every year standby high alert, ready to go in minutes.

There are plenty of USAF bases all over the East Coast in America. It would take a jet fighter top 30 min to intercept any airliner on 911. Probably much faster. If USAF had worked properly, as had it from the 50s on 911, no airliner would have got even close to New York.

I, Hoff, believed diehard in the story that it was Arabs behind 911 and I refused to look into any conspiracy theory. By chance I came to read an interview with a former ATC, Air Traffic Controller. Can't remember his name, Gordon I think.

He explained what really should have happened on 911. You are an ATC and the plane is your baby.

We are told the planes transponder was shut down. Stuff like that get broken, but it's a very serious event and what you as ATC do now is you take the radio and call the airliner. We are told that no airliner responded to the calls. Now you have two serious events as an ATC. What do you do? Go and get some more coffee or call your superior?

The transponder sends a short message about the plane, what number the plane is, height and so on. Now all you have on the radar screen is a blip. Technically it's an UFO. You can't have UFOs in the airspace so you call the Air Force and tell them to go up and check it out.

But not one single jet fighter was told to scramble. And the reason is that the USAF was sabotaged on 911. Until a short time before 911 and since the 50s the ATC could talk directly to the USAF base directly. On 911 they had to call Pentagon, who then should call the USAF base.

The problem on 911 was that nobody in Pentagon took the call. That is how easy it is to sabotage the world's biggest air force.

Bush, Jr. was asked on camera what Iraq had to do with 911? He said: "Nothing."

But the Jew ruled America went off anyway to ... Guess what? "Liberate" Iraq. Ring a bell? What did the Jew-ruled Soviet tell the world when they invaded a country? The "War on Terror" is a Jew fraud, just the same as the Jew fraud "Cold War."

It was the Jews in Moscow that told the world that they were going to conquer the whole world, not the other way around. So naturally America had to be in the arms race.

So here we are; the most powerful military in the world are all around earth, killing the Jews enemies and "liberating." The Jews always use code words, "liberation" to the Jews is the same thing as "building socialism," in essence the Jews taking over the central bank, all "media" and writing the new constitution, and of course, stealing everything.

When I tell people that the Jews rule America most will start to argue, "They don't, ohhh poor Jews, always get blamed for everything" and so on. But now and then I speak to people who get it. Shortest reply ever was when I told an older man I never

meet before that Jew rule America. He stopped and said: "Of course they do!"

I was very surprised so I asked him: "How do you know?"

"America does everything the Jews tell them to do."

He didn't have a clue how the Jews do it, but knew the Jews rule America.

It's astonishing how the Zionist Jews have made America their whore. John Hagee "Christians" doing anything the Jews tell them to do- and pay for it. Incredible.

The Jews in Soviet started to leave Soviet in the 70s. But the whole Soviet state apparatus was now a self-playing piano, so the Jew fraud communism Soviet style just kept going all by itself. Then a few Jews stole everything under the perestrojka. Russia was robbed again by Jews. And this was really what started to wake me up to the Jews.

I was watching BBC World and it was about the "Russian" oligarchs. All the sudden out of nowhere the newsreader said, reading from the prompter: "They are all Jews." He looked extremely surprised. Me too, I asked myself: "What has that to do with anything?"

Well ... what little did I know? I was told by Jew wise people that Jews controls all "media." BBC is the world's biggest Talmud Vision channel, so by logic the Jews must control BBC right?

I scrutinized BBC and wrote back that I could see no Jews at BBC. The man on the TV is reading what someone else writes. If a non-Jew had written on the prompter: "They are all Jews," he would get fired the same day.

Nobody — except a Jew — could get away with that one-liner. Every single Jew knows this and what the Jew who wrote that one-liner was telling all Jews in the world: We Jews controls BBC.

Today I only need to watch Talmud Vision for tops 30 seconds, and I spot the Jew.

You think Jew communism is gone? Think again. The American-supported "Israel" is ruled by communist Jews. And just the same as in the Jew-ruled Soviet there is a bedrock steady class society. Card carrying Ashkenazi communist Jews are at the top of the ladder. Next class is the Ashkenazi Jews who are not a member of the communist party. Next class is the Sephard Jews. The next class is the "religious" Jews.

The communist Jews despise the "religious" Jews, but tolerate them because then the godless communist Jews can fool stupid John Hagee "Christians" that they are a religion.

Read the paper version of Jerusalem-Post, The "religious" Jews are mocked wholesale. They are portrayed as real nutcases.

Next class is the Ethiopian Jews, they are Black. The Jews will tell tear-jerking stories about them, but the truth is that Jews had slave farms in Ethiopia and just as the slave-owning Jews in America the Jews mated with the slaves.

And guess who are at the bottom of the ladder in the "Israel" class society? This book is a must read. A Jew tell how things really works in the Jew ruled Palestine. It's online in full text:

Jack Bernstein — The Life of an American Jew in Racist Marxist Israel.

Read it and exchange "Israel" with Jew-ruled Soviet and you will get the picture how it worked in Soviet.

Ken, As long as 20% of the white American population remains homosexual whites will

become a minority in this country.

Its easy to blame the dark skinned people and immigrants for the devolving of the white race in America but I have never hear not one of you super patriot racist whites blame your own homosexuality culture.

With 10% of white women lesbians and 10% white males Gays and another 30-40% of Whites on Birth control how long do you expect whites to be a majority in this country? That is one thing the settler community in America has never bothered to deal with.

America has always had high levels of immigrants, heck the whole southwest was once Mexico, ever wondered why all the states and cities out there have Spanish names? Think it's because love Spanish so much?

But like Christ "remove the mote from thine own eye first.'

Dear von Manstein,

I had a friend who was in charge of the information branch at the Ontario Ministry of Health when AIDs first came to notice.

They worried about the associated costs and so made a survey to find out what the homosexual/lesbian population really was.

It's less than 2% of the general population but its gets big play because many are in media (just look at CNN and the BBC) and AIDs is worrying to such people so their agenda is to find a cure.

"... but its gets big play because many are in media (just look at CNN and the BBC)..."

So why are there many homos in Jew "media?" This question puzzled me for a long time.

Every single homosex-organization in America was started by Jews. Watch or read any "media" that promotes the homosexual agenda wholesale and what do they all have in common? They are all — no exception — owned by Jews. So what is the point of promoting homosex?

I was sending emails from Mark Glenn's website: Ugly Truth and organized Jewry or their paid troll started meddling with my computer.

These criminals do the same meddling when I am emailing Brother Nathanael's articles and videos from this website: Real Jew News.

I am posting here what I posted at Mark's site, in order to explain what is happening so everyone is aware of how Jewry has been able to continue all of their crimes and misdeeds on humanity probably for hundreds of years and at least since the 18th century.

"Mark,

The time in Providence, RI is 10.15AM. I was emailing this to James Tracy and I don't think it went to him.

Based on my past experiences I suspect that a criminal from the organized Jewry or their paid troll is meddling with my activities on the computer (and of course spying on me and my phone).

They are basically interfering with everything I try to do to wake up people, to the truth that these criminals have ruined not only America but the world and that at least 90% of crimes on humanity have been committed by organized Jewry criminals or their paid trolls, which people who have suffered have every right to know.

Everyone has the opportunity (and the responsibility) to do the most they can, to protect humanity in the present and future so that this group of people cannot continue to perpetuate misery on millions of people.

I have been active in identifying the crimes of this small percentage of people who promote their tribal interests above the interests and well being of all other people often causing immense destruction to the lives of people at a personal level and generally.

Organized Jewry has identified me as a threat to their criminal activities and "good name" because I have been exposing their crimes since 2006 when I first got came to know them and the miseries they created to White students at the nearby university where I live.

I have interviewed hundreds of students: White (most of them) as well as minorities, and from these encounters I got to know about many crimes that were perpetrated on unsuspecting White people and their hatred for White people and how they brainwash minorities against the White people.

They portray the White race as a whole is a cruel and nasty race, contrary to my experience with them which made me go deeper into this subject and it became very clear to me that this small percentage of people are and have been the nasty ones .

I also came to know that organized Jewry was responsible for the Black slave trade in America and other countries as well as the Whites, who were made into slaves by this same criminal tribe who invented the hoax called "war on terror" to demonize and kill millions of innocent Muslims with the help from misguided Christians through deceit and lies.

Brother Nathanael in his articles and videos have gone into many details of organized Jewry crimes at his websites: REAL JEW NEWS and BroVids.com."

Have you been to Palestine? What the Jews call "Israel?"

I, Hoff, have. For six months I was in Palestine. I was in three Jew-ruled collective farms, kolkhozy. What you do is you volunteer to be the Jew's slave. What you get is a bed, three meal a day, some wine on Friday night and a small sum of shekels, that you can use in the Jews' shop in the Jew-ruled collective farm shop.

There was a female volunteer leader. She was an "American" Jewess. Tall, thin and red-haired who said her name was Ruth.

The Ruth name ringed a bell, but I couldn't pinpoint it at the time. Short story, I stayed a month and I did not like the Jews at that kolkhoz. So I left and got another kolkhoz. To me it was all a cheap vacation. "Free" lodging and easy work. What is the problem?

Can you guess what the female volunteer leader's name was in the 2nd Jew ruled collective farm in Palestine was? Ruth and she was a tall, thin red-haired "American" Jewess." Do you see a pattern here?

After a month I moved on to a third Jew-ruled collective farm. And can you guess what the Jew volunteer leader was? A long, thin red-head Jewess and her name was? You got it. Ruth.

Ruth Westheimer (born June 4, 1928) is an JEW American sex therapist, media personality, and author best known as Dr. Ruth. The New York Times described her as a "Sorbonne-trained psychologist who became a kind of cultural icon in the 1980s.... She ushered in the new age of freer, franker talk about sex on radio and television—
...

Westheimer was born Karola Ruth Siegel in Wiesenfeld (near Karlstadt am Main), Germany, the only child of Orthodox Jews ...

http://en.wikipedia.org/wiki/Ruth_Westheimer

And what is "DR Ruth" in America? A Jew leader telling all White Americans to have sex with anyone at anytime, in essence breaking down all Christian moral values.

Hoff:

Good article on your blog.

The Jews are very good at creating the perception of exploited and non empowered minorities. The only major group left is likely White heterosexual males. We will become the new boogeymen and all the world's problems are our "privileged" fault — right?

The Jews want to create a "when did you stop beating your wife" mode, making a no-win situation, by cornering people into accepting these "minorities" cliques.

Of course, the Jews are perceived as the saviours/liberators, and the minorities think they are liberated, not realizing that over time they are simply disposable pawns.

Of course, let us not forget the Talumd is being imposed on all of us (the cattle part), that is the overarching plan.

Minority = Useful Idiots = Disposable Pawns.

I played chess when I was young and pawns are there to be sacrificed, pawns are disposables. The stupid and ignorant non-Jew minorities that the Jews promote in Jew "media" are all pawns in the Jews' game.

Think if you were Lenin, let's assume he was a non-Jew. You are Lenin and surrounded by Jews day and night, watching every step and everything you say or write. Then all the sudden it hits you: Communism is a Jew fraud. Communism is all about what is good for the Jews.

Do you think the Jews would let you get away and tell the world what you just realised? Lenin died at the age 53 years.

Exactly. That hate propaganda was also a big part in my awakening to the Jews. When I think back I realise I as a White male have been blamed by the Jews all my life for being a White male, hence I'm responsible for everything.

Of course I noticed the Everything is the White males' fault. At first I ignored it. Then we started to make jokes about it on the internet. But then the Hate-All-White-Male hate propaganda was in my face day and night. At this point I started to ask myself: Who the hell is behind this hate propaganda?

Hate propaganda like that doesn't make it self. Someone is forcing this hate propaganda down my throat, but who? Watch this short video and the answer is right in your face:

I wonder if LIEberman, Jack Lew (more like Jack "usury" Lew), or his synagogue buddies are going to say anything on Cyprus (probably not because why would a Christ hating JEW say anything about an Orthodox Christian nation?)

Cyprus even has the Jew-lovers in Germany worried (Merkel and her government), because what the anti-Christ media (run by Jews) doesn't want the average uninformed Goy to know is that they are the ones behind the screwing over of Cyprus and the once mighty Christian Europe.

This along with their control of godless Amerika through the "Federal Reserve" (more like Rothschild, Goldman Sachs, Warburg, Kuhn Loeb, Moses Seif banks making a killing fleecing the Christians) is what needs to be stopped.

As I have said many times only Christian social order (a sacred monarchy) is going to save Amerika. Americans and the world must repent and embrace Christ in Orthodoxy. Then we can stop the Devil and his children.

Remember the CHURCH (in the OT and NT) is the Israel of God and Christians are God's chosen people (Galatians 6 and John 15:16 its also in the Book of Isaiah).

The Christ-hating Jews have nothing, not even their pathetic anti-Christ State of IsraHELL.

Where I come from, there is that "Hate Speech" legalese crap.

A recent judgement from the "4/9 JEW Supreme Court" said that events, even if true, that "may incite hate" can be deemed a hate crime...yada yada yada.

Perfect!

I had read another blog that the Holocaust is part of the school curriculum.

After making an Inquiry, I found that the Holocaust is studied in FOUR courses — One in Grade 6 and the rest in High School.

I am waiting for answers on a few more inquiries, but it appears 2 and maybe 3 courses are mandatory.

One such matter is what the teachers use to lecture on the topic. The curriculum only notes (2) sources that the Government makes available. If for example a teacher has personal discretion and uses what is a discredited and biased resource...WOW...Houston we have a problem.

In other words, there could be thousands of "Hate Crime" cases. I can work this behind the scenes without the Jews knowing, and then BAM!

Pure and Simple, the Inversion of the Holocaust BS is a Hate Crime towards those of German and others' background. The Jews rely on this kneejerk tunnel vision. They

cannot and will not be prepared for fighting "fire with fire."

Those with German background far outnumber the parasites, a huge critical mass.

Bullies ARE cowards — time to roll up the sleeves and kick ass.
